

Eyton Church in Wales Primary Schools' Pupil Deprivation Grant Statement

The purpose of the Pupil Deprivation Grant is to improve the educational attainment of pupils from low income families and who are entitled to free school meals (eFSM). Schools are expected to maximise the use of this funding by introducing sustainable strategies which will quickly lead to improved outcomes for pupils entitled to free school meals.

As a school, we want to learn from the best practice in Wales and beyond by:

1. planning interventions that focus on improving the attainment of pupils from deprived backgrounds, regularly monitoring pupils' progress and evaluating the impact of the intervention.
2. integrating plans for the effective use of the PDG into the School Development Plan, basing our practice on sound evidence and including them as part of a whole school strategy.
3. balancing whole school strategies with targeted interventions to ensure that all learners entitled to free school meals benefit as individuals, whilst the whole school also develops its ability to support every learner to achieve their full potential.

In 2016-17 Eyton Church in Wales Primary School were allocated a total Pupil Deprivation Grant of £6,900.

Eyton Church in Wales Primary School has a comprehensive plan, agreed and monitored by GwE and Wrexham Local Authority, to promote high expectations attainment and progress and to remove barriers to learning for pupils entitled to this funding.

We have used the funding available to:

- Fund intervention programmes such as Catch Up Reading and Catch Up Numeracy.
- Fund an effective tracking system that allows up to identify children's needs.
- Release staff to deliver 1 to 1 support.
- Release staff to give targeted personal and social skills development to groups of children.

It is not appropriate for the school to publish a detailed plan as it could identify individual pupils.
