1. The learning mentor has one afternoon per week to work with FSM pupils who experience behavioural, self-esteem or work related issues.
2. 1:1 feedback is provided to FSM pupils to discuss their strengths and areas for improvement in the core subjects.
3. Booster groups help FSM children to raise their levels in Literacy and Numeracy. MAT groups extend the curriculum and offer more challenging learning activities for more able FSM children.
4. Homework Club is run once per week for a small group of FSM children who find completion of Homework at home difficult.
