

Meeting Type	HUB meeting Conwy and Denbighshire
Date & Time	29/03/17
Room	Venue Cymru

Agenda Item		Action Points
1.0	Next steps.	<p>It was agreed that there would be two areas of focus at our next Hub meeting. The first is assessment, putting together possible questions. The second is resources.</p> <p>All Hub delegates will bring resources with them ready to share good practice and alter in accordance with the new specification.</p> <p>Time will be used to work collaboratively.</p>
2.0	Date of next Hub.	<p>It was agreed that the next Hub meeting will be held at Rhyl High school. It will be held mid-late June – exact date to be confirmed by Sarah Roberts. Sarah Roberts will organise room and access to IT facilities.</p>
3.0	Communication.	<p>Hub delegates agreed that communication through email is the best method.</p> <p>We can use email to share resources as some delegates are having difficulty accessing Hub online.</p> <p>Some delegates are members of the Facebook groups 'Save RE' and 'WJEC RE'</p>
4.0	A.O.B	<p>Delegates expressed a concern that we are rushing into a new course without resources or efficient time to plan.</p> <p>For some the priority has understandably been A Level.</p> <p>Delegates would in some cases have started to teach GCSE to Year 9 after Easter but do not feel in a position to do this due to lack of resources etc.</p> <p>Welsh resources for A level were also raised as a concern. Teachers have had to translate from English which has been extremely time consuming and have been met with little sympathy from Head Teachers. This has left Welsh students at a disadvantage.</p> <p>Some delegates are concerned about the allocation given to RE next academic Year. Staff who are concerned are to email Phil Lord philiplord@gewgogledd.com</p>
