Emotional Health and Wellbeing for Learning

Thursday 16th May 2019 from 9am – 3pm

This day looks at how teachers can promote Positive Learning Communities in the classroom by encouraging children to take responsibility for their own behaviour and relationships. An intensely practical day – Jenny will highlight the qualities teachers and children need to develop in order to promote PSE and emotional wellbeing. Jenny is passionate about working with the innate wisdom of children as a powerful forum for change so she will demonstrate a circle-time with a KS1 and a KS2 class with delegates observing and discussing on the impact it can have.

Powerfully Positive Lunchtimes and Playtimes and Calm Dining Halls – MORNING WORKSHOP

Friday 17th May 2019 from 9am – 11.30am

This day will help your school create calmer dining halls and playgrounds. Jenny has hundreds of tried and tested ideas which can be immediately put into practice on your return. Unmissable for schools who have problems from lunchtimes which spill over into the afternoon *affecting* children's learning and staff morale! **For a school to get the best value from the day Jenny encourages senior managers to attend so a true whole school dining hall and lunchtimes policy can be put in place.**

What past delegates say: *"The demonstration circle was brilliant.....how wonderful to see 9 year old boys with their magical skipping ropes!! Both days reminded us all of the core values of education and the joy of working with children".* Wendy Ostler, Cydlynnydd Ysgolion Iach/Healthy Schools Coordinator, Conwy Borough Council.
