Peer Engagement Pilot Programme ó NEWó

On 22 January 2019 at Venue Cymru, Llandudno, we undertook the first steps of a consultation process with Head teacher representation around the various aspects of the National Reform Journey. This included consultation on developing a regional framework for peer-to-peer engagement and support. GwE and the six regional local authorities want to work with schools to establish a regional peer engagement model which fully reflects the principles and values that have been identified by Head teachers.

We invite expressions of interest from groups of schools to participate in a peer engagement pilot programme (see [this](#) paper for further information).

The completed [Expression of Interest Template](#) should be completed and returned to Anwen Gwilym (anwengwilym@gwegogledd.cymru) by **Tuesday, 19 March, 2019**.
