

# Additional Learning Needs Transformation Workshop

## Welsh-medium/Bilingual

Wednesday 8 May 2019, from 8:45 – 12:00

Glasdir, Llanrwst

### Outcomes

By the end of the session, ALN Co-ordinators will

- share good practice on how to map provision effectively
- have a wider awareness of the Welsh-medium resources available
- be willing to work in a cross-county network to:
  - ✓ share good practice
  - ✓ see Welsh-medium resources in action in different schools
  - ✓ identify what is required and collaborate to develop resources

### Session objectives

Suitable for ALN Co-ordinators. There will be:

- an opportunity to listen to effective practice in mapping schools' provision and the impact of this on pupils' results
- discussion workshops, sharing and networking
- sharing effective practice
- an opportunity to identify which resources are required and how to work in clusters to meet need
- discussing next steps

### Taster Tables – an opportunity to see:

- specific Learning Needs Resources that could be used
- primary and Secondary resources
- pupils' Target Boxes
