

DIFFERENTIATION TRAINING

with Mike Gershon

Mike Gershon is an expert educationalist whose knowledge of teaching and learning extends across the Key Stages and the curriculum. His online teaching tools have been viewed and downloaded by teachers in over 180 countries and territories. They include the now famous Starter Generator, Plenary Producer and AFL Toolkit.

This 1-day training aims to provide ALNCo's, Curriculum, Teaching and Learning Leads with strategies to support teachers in the classroom.

The day will look at:

- defining differentiation
- scaffolding, modelling and working memory
- differentiation through feedback and metacognition
