

Ysgol Bro Idris Schools' Pupil Development Grant Statement 2019-2020

The purpose of the Pupil Development Grant is to improve the educational attainment and achievements of learners who are entitled to free school meals.

Definition of the use of PDG: "The PDG should be used to support the needs of all children who are or have been entitled to free school meals in the previous two years, or are looked after children. The PDG is intended to provide support to disadvantaged learners to overcome the additional barriers that prevent those from disadvantaged backgrounds achieving their full potential."

This grant is used to give additional support to learners from disadvantaged backgrounds. The aim is to close the gap between the attainment of pupils from all backgrounds. This work includes:

- Give additional support to learners to develop to be confident, highly motivated individuals who are proud of themselves and their local community.
- Ensure that pupils have suitable resources to succeed at the school.
- Ensure that pupils maintain a high level of attendance at the school.

Curricular and educational support.

- Implement effective intervention programmes in the areas of literacy and numeracy in KS3 and specific subjects in KS4.
- Provide additional lessons, either during school time, after school or/and on weekends and holidays to ensure that pupils receive effective additional support.

Tracking and Assessment

- Track the pupils' progress carefully and specifically, plan effective intervention and review information regularly.

Training and systems development.
