The Anthea Bell Prize for Young Translators Competition

Remember to register with the Oxford Translation Exchange Anthea Bell Prize Competition with whom we worked last year to develop the Welsh strand alongside the English.

This is an exciting opportunity which will help schools in Wales develop their preparation for the New Curriculum for Wales. The carefully thought-out and crafted resources provided will spark our pupils' interest, develop their cultural awareness and enhance language acquisition, literacy skills as well as knowledge and understanding of various literary works.

To register your interest and receive the first set of resources to use around the EDL, please follow the link below.
