THE FINAL ISSUE [308]

After 10 years and 307 issues of the GwE Bulletin, this will be the final issue. As the service comes to an end, we wanted to take a moment to reflect on the journey we've shared since GwE was established in 2013. The bulletin has been a key platform for sharing Professional Learning opportunities, supporting educators and fostering collaboration across the region.

As we approach the end date of the service, we wish to extend our profound gratitude for the trust, collaboration and support you have demonstrated over the years.

On behalf of the entire team at GwE, we extend our sincerest thanks for your contributions and friendship over the course of our journey together as a regional service.
